

NOTICE

South Valley Water Reclamation Facility (SVWRF) is the Pretreatment Control Authority over industrial wastewater discharges within its boundaries. In accordance with SVWRF Pretreatment Rules and Regulations, the public may comment on the contents of individual wastewater discharge permits prior to finalization and issuance of such permits to significant industrial users (SIU). SVWRF invites the public to comment on the following SIU individual wastewater discharge permit renewal: Interstate Brick, Permit no. B304WJA4, located at; 9780 South 5200 West, West Jordan, Utah 84081. The draft permit may be viewed on the SVWRF website, <http://www.svwater.com>, under the Pretreatment tab. Written comments may be addressed to: Pretreatment Director, South Valley Water Reclamation Facility, 7495 South 1300 West, West Jordan, Utah, 84084 or sparkinson@svwater.com . Comments will be accepted on or before 4:00 p.m., March 1, 2017.
