Pretreatment Inspector

South Valley Water Reclamation Facility (SVWRF) is accepting applications for a Pretreatment Inspector. Duties include inspecting Significant Industrial Users for compliance, reviewing blueprints, and recommending plumbing changes and required pretreatment equipment. Prepare reports, read and interpret pretreatment regulations, collect samples from industrial users as necessary, and perform equipment installation inspections.

This position works four 10-hour shifts Tuesday through Friday with occasional overtime. Applicants **must** have an Associate's degree in Chemistry, Biology, Engineering, Environmental Science, or a similar field of study. Applicants must also have a Grade III or higher Wastewater Operator certificate or the ability to obtain one within 24 months of hire. Pretreatment experience preferred.

This is a fulltime position with an excellent benefit package which includes medical, dental, vision, state retirement, retirement health savings plan, short/long term disability, vacation, sick leave, and paid holidays. Salary is \$27.47-\$33.78/hourly; starting wage DOQ. Physical/Drug testing is required. SVWRF is an Equal Opportunity Employer.

Employment applications are available on our website at www.svwater.com, under the customer service tab, then click on human resources. Please send resume/employment application to svjobs@svwater.com, or apply in person at 7495 South 1300 West, West Jordan, Utah 84084.

Position open until filled.
