

Wastewater Plant Operator

South Valley Water Reclamation Facility is accepting applications for an Operator. Duties include monitoring wastewater plant processes, routine maintenance and operation of pumps and blowers associated with wastewater treatment. This position is a rotating 10 hour shift working days, nights, weekends, and holidays. Applicant must be a high school graduate or equivalent, have a valid Utah driver's license, and some wastewater experience is preferred. This is a fulltime position with an excellent benefit package which includes medical, dental, state retirement, 401A, retirement health savings plan, short/long term disability, vacation, sick leave, and paid holidays. Salary based on experience and certification. Minimum starting salary: \$43,208. Physical/Drug testing is required. Equal Opportunity Employer. Employment applications are available on our website at www.svwater.com, under the customer service tab, then click on human resources. Please send resume/employment application to svjobs@svwater.com, or apply in person at 7495 South 1300 West, West Jordan, Utah, 84084.

Position open until filled.
