

NOTICE REQUESTING STATEMENT OF QUALIFICATIONS FOR ENGINEERING SERVICES

RECEIPT OF INFORMATION: South Valley Water Reclamation Facility (Facility) requests sealed Statements of Qualifications (SOQ) from qualified engineering firms who desire to provide professional engineering services to the Facility. The contract term will be up to five years, with the option by either party to terminate with thirty (30) day written notice.

The Facility intends to add and retain firms to the current engineering services pool. The scope of services consists of design, bidding and construction related services as needed by the Facility. Firms demonstrating competence and qualifications for the services required may be invited to enter into a contract with the Facility at fair and reasonable prices.

Firms interested in providing this service are directed to provide company information and experience to South Valley Water Reclamation Facility. SOQs will be accepted until August 3rd, 2022 at 2 PM at the office of South Valley Water Reclamation Facility per the instructions contained in the SOQ.

The South Valley Water Reclamation Facility is located at 7495 South 1300 West in West Jordan City, UT. Interested parties may contact Mr. Taigon Worthen, P.E. at Telephone. No. (801) 495-5469, or via e-mail at tworthen@svwater.com.
